

Principal: Lesley Welsh

19 March 2020

Dear Parent/Carer

### **Update on school closure**

As noted in yesterday's letter, further to the Government briefing George Pindar School will be open to provide care to children of 'key workers' and those children who have a social worker or have an Education Health and Care Plan. The full list of those classed as key workers has not yet been released; however we anticipate that this will include all members of the emergency services, healthcare professionals from the NHS or caring professions, education professionals and frontline workers involved in the distribution and supply of food. In order to help us with our planning and for safeguarding purposes, if you believe that your profession falls into one of these categories and therefore intend to send your child into school from Monday, please email [hello@gps.hlt.academy](mailto:hello@gps.hlt.academy) Please make sure you state your child's name and year group in the email. Please note that children who are attending school from Monday will be permitted to wear casual clothes.

I would like to thank you for your support at this most extraordinary time and will continue to update you when I have more news.

Yours sincerely

Lesley Welsh
