

#TeamMFLTransitionChallenge

Here at George Pindar School, we love learning languages! Our department offers French, German and Spanish!

For your transition challenge, we would like you to design a poster including:

- as many languages as you can name
- where those languages are spoken
- if you could speak fluent French/German/Spanish what you would be able to do?

Send your completed poster to

news@gps.hlt.academy to win a certificate! À plus!
