

22 September 2020

Dear Parent/Carer

Staff in school are doing everything they can to support your child and enable them to achieve their very best in this, their final year leading up to their GCSE exams.

To ensure your child achieves their full potential, we are providing a number of after school (Lesson 6) support sessions.

These sessions started on 21.09.20 and will continue throughout this academic year. The sessions follow a two week timetable with core subjects taking place on an "odd" week (beginning week 3 21.09.20) and non-core subjects on an "even" week (beginning week 4 28.9.20).

As the year progresses, more subjects will add intervention sessions to this schedule. Your child will be informed of these by their class teacher.

#### Week 3 – Core (21.09.20)

Monday	Tuesday	Wednesday	Friday
Maths	Science	English	Further Maths

#### Week 4 – Non-Core (28.09.20)

Monday	Tuesday	Wednesday	Thursday	Friday
German	History Hairdressing	Geography Engineering Design & Tech		

We would be very grateful if you could discuss this with your child and ensure they attend these important sessions.

Many thanks for your continued support.

Yours sincerely

Lesley Welsh
