Dear Parent Carer

Year 11 Update

I hope this finds you and your family safe and well during these challenging times. As you are aware, we had a planned Parents' Information Evening for Year 11 this Thursday. Due to restrictions imposed by the Coronavirus lockdown, we are unable to proceed with this evening in the way we had planned. Although arrangements for the summer series of 'exams' have not been finalised, we believe it is important that we meet virtually to discuss the way forward for our Year 11 students.

We have therefore arranged a series of Zoom meetings which will take place on **Thursday 14 January at 4pm, 5pm or 6pm**. Parents or carers are welcome to attend any of the sessions. During the presentation, we will discuss:

- plans for Year 11 assessments
- how you can help your child with remote education
- how we can all work together to support your child at this unsettling time.

Following the presentation, there will be an opportunity to ask general questions via the Chat box on Zoom. We will then send a written report home next week which has specific advice for each child in Year 11 to help him/her make maximum progress in the summer series of 'examinations'.
