

# MATHS

## TOP SKILLS

- Problem Solving • Interpreting Data and Information • Attention to Detail
- Accurate Measuring • Reasoning Ability

## INDUSTRIES

- Financial Services • Engineering
- ICT and Digital Technologies
- Life Sciences • Hospitality and Retail

## CAREERS WITHIN MATHS:

### FINANCIAL SERVICES

- Accountant
- Actuary
- Bank Manager
- Banking Customer Service Adviser
- Credit Manager
- Economist
- Financial Adviser
- Insurance Account Manager
- Insurance Broker
- Investment Banker
- Stockbroker

### HOSPITALITY & TOURISM

- Events Coordinator
- Bar Manager
- Fitness Instructor
- Retail Assistant

### ENGINEERING

- Chemical Engineer
- Aerospace Engineer
- Aircraft Maintenance Engineer
- Automotive Engineer
- Civil Engineer
- Drilling Engineer
- Electrical Engineer
- Mechanical Engineer
- Measurement & Control Engineer
- Merchant Navy Engineer
- Technician
- Naval Architect
- Nuclear Engineer
- Offshore Service Technician
- Rail Engineering Technician
- Satellite Systems Engineer
- Telecoms Engineer
- Thermal Insulation Engineer

### LIFE SCIENCES

- Biomedical Scientist
- Microbiologist
- Pharmacist
- Research Assistant
- Mathematician
- Statistician
- Meteorologist

### ICT & DIGITAL TECHNOLOGIES

- Games Developer
- Software Programmer
- Network Engineer
- Web Designer
- Computer Games Tester
- IT Trainer
- Systems Analyst
