George Pindar School: Provider Access Policy

Content:

Introduction

Student entitlement

Management of provider access requests

Opportunities for access

Granting and refusing access

Premises and facilities

Monitoring arrangements

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to students at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

It sets out the following:

Procedures in relation to requests for access

The grounds for granting and refusing requests for access

Details of premises or facilities to be provided to a person who is given access

Student entitlement

All our students in years 7 to 11 are entitled:

To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;

To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;

To understand how to make applications for the full range of academic and technical courses.

Statutory requirements

Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in years 7 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

This is outlined in Benchmarks 5 Encounters with employers and employees and Benchmark 7 Encounters with further and higher education of the DFE publication . Careers guidance and access for education and training providers Sept 2022

This policy shows how our Academy complies with these requirements.

Management of provider access requests

A provider wishing to request access should contact Mrs J Bilton, Careers Guidance Leader j.bilton@gps.hslt.academy or Mrs Catherine Prentice, Assistant Vice Principal c.prentice@gps.hslt.academy or by telephone 01723582194

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to students and/or their parents/carers. Please contact Mrs C Prentice for further details. The school Child Protection Policy sets out the school's approach to safeguarding whilst in school.

Please note that the school reserves the right to deliver activities and/or content in different terms than shown, in addition, further opportunities may arise during the school academic year, please contact us as early as possible in the school year to discuss available opportunities.

In addition to the events listed above we have calendared assemblies for year groups (please refer to the school calendar for assembly days and themes throughout the year). Please speak to our Careers Guidance Leader or Careers advisor to identify the most suitable opportunity for you to deliver.

Granting and refusing access

We welcome providers wishing to communicate with our students, staff and parents/carers specifically about the following areas:

Types of qualification including, but not limited to, A-Levels, vocational awards, technical awards, apprenticeships, degrees

Routes into employment

Continuing in education and training; raising awareness of career sectors

Raising aspirations

Labour market information — job market and key local sectors

Employer expectations

Employability skills

Support in applications including but not limited to vocational courses, apprenticeships, university and employment

Additional support for transitions into Further Education, Higher Education, Apprenticeships, other training opportunities and employment. This may include financial, emotional and practical support for our more vulnerable students. Please speak to our Careers leader or Careers advisor. We will work with you to identify the most suitable opportunities for you

Premises and Facilities

The school will make the main hall, classrooms or a private meeting room available for discussions between the provider and students, as appropriate to the activity. The school will also provide equipment to support provider presentations, as available. Please discuss and agree in advance of the visit with the Careers Leader or link member of staff.

Monitoring arrangements

The school's arrangements for managing the access of education and training providers to students is monitored by Mrs Catherine Prentice, Assistant Vice Principal. This policy will be reviewed annually. At every review, the standards committee of the LGC will approve the policy. Intended Destinations 2021 data should be available by January 2022.
