George Pindar School SEND Information Report September 2023

George Pindar School is a fully inclusive mainstream school where all students are valued equally, regardless of where their abilities lie. All students are entitled to have access to a broad, balanced and relevant curriculum, which is differentiated to meet individual needs. George Pindar School is committed to equal opportunities, with students being encouraged to achieve their full potential, whatever their academic or physical ability, through the provision of a balanced and challenging curriculum in both content and styles of learning.

At George Pindar School you will see:

A well-ordered and safe community;

Teachers who are passionate about students and their learning;

Positive relationships between staff & students;

A well-equipped learning environment;

High quality teaching and learning:

An ethos that puts students first.

This SEND Information Report outlines information regarding the ways in which we provide support for all students with Special Educational Needs and Disabilities (SEND), in order to realise their full potential, make outstanding academic and personal progress and grow to be equipped for their future lives. Provision may change and develop over time.

The information required to be included in this SEND Information Report is stated in **The Special Educational Needs and Disability Regulations 2014 SCHEDULE 1: Information to be included in the SEN information report**. This can be found at: http://www.legislation.gov.uk/uksi/2014/1530/schedule/1/made

Regulation	Question	George Pindar School response			
Special Educational Needs for	SEND do students have	Children are identified as having SEND when they have a significantly greater difficulty in learning than the majority of children the same age or have a disability which prevents or hinders them from making use of education facilities of a kind generally provided for children of the same age in schools within the area of the Local Authority (SEND Code of Practice 2015).			
provision is made at the school		At George Pindar School, we cater for and provide for students with a variety of needs. Students at GPS nave a range of difficulties including			
		 Speech, Language and Communication needs (SLCN); Social, Emotional and Mental Health difficulties (SEMH); Moderate Learning Difficulties (MLD); Specific Learning Difficulties (SpLD) such as dyslexia; Physical disability (PD); Visual Impairment (VI); Hearing Impairment (HI); Autistic Spectrum Disorder (ASD); 			
mainstream schools about	know if a child needs extra	When your child first joins George Pindar School, we use information from a range of sources to help identify SEND and other needs. These include information from parents/carers; primary school teachers; end of key stage 2 levels; base line testing; literacy and numeracy tests; application form information; specialist colleagues and external agencies.			
the school's policies for the identification and assessment of students with special educational needs.		Our class teachers, tutors and Heads of Year closely monitor the progress and attainment of all students, including those who have or may have SEND. The continuous monitoring of students during their time at George Pindar School will further identify students with a Special Educational Need. This identification may come from tutors, subject teachers, Learning Support team, outside agencies, parents/carers or the students themselves. If your child needs to be assessed we would use a range of assessments depending on the area of need. If it is thought a family needs support, we have good working relationships with outside agencies and a referral can be made to them.			

		We follow a staged and graduated approach to identifying and assessing needs, using the 'Assess, Plan, Do, Review' model. The triggers for intervention could be the teacher's, Learning Support Team's or other's concern, underpinned by evidence, about a pupil who, despite receiving differentiated learning opportunities, doesn't make expected progress. All students with SEND are on the SEND or Monitoring registers which are accessible to all staff. Staff
		use this information to inform their lesson planning, teaching and student learning activities. Targeted interventions are planned and delivered where appropriate. This may include small group or individual work across a broad range of activities.
school evaluates the	How will I know that my child is making progress?	All students, including those with SEND, are assessed on a regular basis, in accordance with the School's Assessment, Recording and Reporting Policy. Teachers regularly formally assess and review progress and attainment which is communicated to parents/carers by a report that is sent home. Additionally, parents' evenings are held once a year when there is an opportunity to discuss progress, attainment and next steps. All students with an Educational Health Care Plan have an Annual Review.
	How do you evaluate provision?	The school has a Quality Assurance process that assesses the effectiveness of Teaching and Learning for all students, including those with SEND and the outcomes of these evaluations are used to create and implement development plans for all aspects of school life. These are reviewed through regular evaluation. Additionally progress and attainment data for students is analysed for effectiveness and value for money.
school's arrangements	How do you check and review the progress of my child and	The school will send home reports which will show your child's current progress as well as reporting on their attitude to learning. Subject Leaders and the SENDCo will monitor and review your child's progress. We may then put an intervention in place if necessary. This could be an in-class intervention or a small group intervention. At the next reporting time we will check whether the right progress has been made.
5	how will I be involved?	We welcome the involvement of parents/carers and want to keep you up to date and involved with your child's progress. We do this through parents' evenings; notes in planners; email; telephone calls; appointments made with individual teachers; and Annual Reviews for those students with Education and Health Care Plans.

		The school provides regular information for parents through regular emails; social media; newsletters;
		information on the website and Parents' Evenings.
3c. The school's approach to teaching students with	How do teachers help students with SEND?	Our teachers have high expectations of all students, including those with SEND. All teachers will be told about your child's individual needs and will adapt their lessons to meet these requirements. Teachers have experience and are trained in doing this. This may involve using different strategies, more practical/adaptation of resources and activities. This means your child can access the lessons fully.
special educational needs		Within school there are a variety of staff roles to help us fully support your child. Where it is felt it is the right thing to do a student may be offered additional help and support, in which case you would be informed. There are a range of interventions and additional subject support which are available and should your child need this, it would be discussed with you.
		When your child is in Key Stage 4, if we think it is needed, we will assess and apply for exam Access Arrangements according to the Joint Council for Qualifications exam regulations.
the curriculum and learning		Most of our students follow a traditional curriculum, however a small number of learners have a more personalised curriculum to match their individual needs, interests and abilities. This may include option choices; additional literacy and/or numeracy; nurture groups; intervention groups and number of qualifications studied.
educational needs	accessible is the school	Our school is a safe and accessible building and we do our best to make it welcoming to the whole community. All safeguarding procedures and risk assessments are in place and adhered to by all staff. We have a range of different facilities to help SEND students throughout our school including a lift to access upper floors; disabled toilets; a hygiene room; ramps; wide corridors and equipment to help with reading and writing.
support for learning that is available to	Is there additional support available to help students	We have a wide range of staff to support students and address additional needs they may have, including students with SEND. This includes Teaching Assistants; tutors, class teachers, and Heads of Year.

physical activities) together with children who do not have special educational needs	out about these activities? How will my child be included in activities outside the classroom, including school trips?	The Extra-Curricular timetable is available from school – Please ask your child's Tutor or any of the PE staff. A full timetable is displayed on the school website. All children in the school are encouraged to take part in extra activities at break time, lunchtime and after school. Day and residential trips are open to all children and your child's specific needs can be discussed if they wish to join such a trip.
3g. Support that is available for improving the emotional, mental and social development of students with special educational needs	, , ,	At George Pindar School we take our pastoral responsibilities seriously. We pride ourselves on providing a high level of student support and guidance. There are additional members of staff who are able to provide pastoral support, these include: the SENDCo, Assistant SENDCo, Senior Advanced Teaching Assistant, Advanced Teaching Assistants, General Teaching Assistants, a Senior Learning Mentor, the Education Welfare Support Officer, the Paren Support Adviser, Behaviour Support Officers and the Attendance Officer. We also access a number of external agencies, for example: Early Help Team; COMPASS Phoenix; Young Minds; North Yorkshire Youth Mentoring and CAMHS.
