Dear Parent / Carer

### **Year 11 Steps 2 Success**

As part of our programme to raise achievement at George Pindar School, and at the beginning of an incredibly important year for your child, we would like to invite you to our Steps 2 Success event on Thursday 19 September at 6.30pm, with refreshments available from 6.15pm.

During this practical evening, we will practise some vital revision skills with students and show them how to structure a revision timetable. All students who attend will receive a goody bag and there will be a prize draw for all those who attend.

We hope you will be able to attend with your child to find out more about Year 11 and some important dates for the year ahead; however presentations will also be made available online after the event for those who are unable to attend on the evening.

If you would like to attend, please book a place by clicking on the following link:

The home-school partnership is always important but never more so than in exam years and I do hope you will be able to join us to give your child the very best preparation for exam success in 2024. If you have any queries, please contact your child's Head of House

I look forward to seeing you next week and thank you, as ever, for your support.

Yours sincerely
